It would be a good strategy if the company does not go to this well so often. ILASHLEY and Rollins had great great and WWE should review this as a long-term feud along the way. Roode countered a hurricane with the upper rope, but Rey was still able to take him out of the ring. This almost led to a fight on the edge of the ring. It was nothing special, but the Scotsman sold well the intensity of his attacks. Before the match could begin, Akira Tozawa, R-Truth and Tamina went down to chase Dana Brooke for the 24/7 title. Lashley lined up for a Spear but ran into a kick in the face. The Visionary hit the Pedigree for a close count twice. Lashley met him on the upper rope and hit a huge suplex belly in the belly. Omos pulled out Truth and Tozawa before the ref called the bell. Reggie jumped at him from the upper rope, but Omos caught him and hit a chokeslam with two hands for victory. Grade: D-AnalysisWhat can you say about a segment like this? KO was the star of this segment, as it always is in these situations. The crowd seemed to be cheering for her, but WWE clearly put in some boos. Big Time Becks talked about the Royal Rumble a little before moving on to Doudrop. It would have made this more enjoyable, but it was still nice to see the women's division get the first 20 minutes of the show. Kevin Owens was out hosting another episode of The Kevin Owens Show with his special guest, Seth Rollins. They had a fun exchange where they put each other. Lynch took credit for giving her a title shot but also said he would defeat his. Doudrop, Belair, and Morgan all went out and talked some trash about Rumble before Doudrop finally called the referee so he could hit someone. We went back to see the rest of WWE and Doudrop in the ring. This was another example of why © two great competitors will always be able to give a good The only problem was the finish line. The referee canceled the match and checked The Nightmare as his opponent smiled menacingly from the ramp.Grade: C+AnalysisThere was no correspondence, but the himself worked to solidify the Nikki heel shift. Zelina even took the merit to help Ripley understand who is truly the Nikki. She runs through Ripley's attachment from behind her and took her out of the ring to drive her in steel steps. She made a look at Omos dominant, but we already know that she is, so some of this help someone? Montez Ford, Angelo Dawkins, Rey and Dominik Mysterio took on the Dolph Ziggler, Robert Roodle, Apollo Man and Commander Azeez in a great eight-man tag team match. The heels took control of Dominik almost immediately, but he was able to tagged his father to break down the roode with a horraganrana. We returned to see the ralinwe we begin to concentrate on his rival's leg to take the base of him. All powerful was buried hard in a single leg crab, but he was able to escape and hit a flatliner. Morgan tagged and went after the man with a breath of fast layers. Hit the Slam of the man handle, but Duadrop attacked it and tagged so you can take the pin instead. Degree: CANALYSISIS PROMOS before the match went of the bout itself seemed good, but the end was messy and completely killed the momentum of the game. Bout forgotten to tag him at the beginning, so he had to go back to the corner and do it before going back to hit A dip for the pin. We returned from a break to see the priest's exhaust on the priest with a barrage of kicks. Ko avoided a superplex and hit a senton bomb for a nearby fall. WWE clearly wanted to protect both men before their rumble games, so he booked this kind of finish because he must not eat the loss. Even with the DQ, this was a strong main event. KO has not been able to take it down with a shoulder tackle and it seemed that he was regretted the decision of him beforehand His steam opponent about him. Infamy's archer has forced Owens to take a ringside break to escape the wrath of him. The theory began to return, but when he went to the ATL, Balor contrasted with a roll-up for a particular fall. .opod .opod eergideP li eriploc a ~Acsvir non am edalB gnllS anu ~Aploc snillor .erotanimod la eriguffs a ~Acsvir non am elactrev xelpus nu "Accattartnoc snillor.xelpus noc snillor eraicnal a "Aizini etnemataidemmi e ideip ia "Azla is etnematneL .eraroval rep opmet "Aip erava e eralrap a opmet onem erassap ottopp orebbervA .etnazzarabmi 'op nu ottut arE .itnerrocnoe eud itseq noc ebberepepsa is ic emoc acisif ~Asoc non am .etnedec atats " A OK e tseirP art attrap aL.itnaralise ehc onem id etnein itats onos isem imitlu ilgen ibmacs orol I .enod el ebmarne orig ni oserp ah e irouf otnevev " A anileZ anigeR al e allemraC.hctam otseug ni onottabmoc odnaug odnom li erartsom rep ats iel e airots atseq ni ovittac li are yelpiR aehR odnedic hctam otseug id amirp omor nu otad ah .H.S.A ikkiN.delow a osoidtsaf eresse "Aup ortei oiggnosrep li es ehcna atnips atseq a isodnangepmi ats EWW onemla am .enif alla airottiv al .Arretto rolaB.oro id onu etnemarucis " A ecnirP ehtT e .allof alled otser lad ollevil ortla nu us onos itterpretni inuclA .oirasrevva nu irouf inrut ednerp e onartne itttut iuc ni otunp la itavirra omaiS.edroc ellus oiretsyM oitchev li otuva onah atlow atseq am .aiorttroc ni ovoun id vittac i eredep rep asuap anu id itanrot omaiS .otnemivom ingo noc ocerf avarbmes .otilos la emoc .rolaB.ais ehc asnep EWW al iuc ni odom len oiggnosrep ous li odnatua ats non nohaMcM noc odnedecuss ats ehc asoc atseq attut am ,irasrevva id Atevar anu noc eneb airoel eht atela noov nu " A yroehTtsisylanAB :edarG.airttiv al rep lTA" noc irouf eredinairI erinif anu id itanrot kcikpord gnllor nu ~Aploc e ecarG ed puoc al
